

Harkins Funeral Home, Inc.

Payment Policy

We believe in the importance of recognition and meaningful celebration of a life that has been lived. It is also important to be realistic in regards to funeral expenditures. We do not want a family to spend more than they able, nor less than they would like. What is important is that arrangements be in keeping with a family's wishes and budget. Our experienced staff can help you with unique, personalized selections, alternatives to reach your budget needs, and offer payment plans for qualified applicants.
